*This event is not just about sunshine, trail riding and winning ribbons! Each exhibitor will be given the name and face of a fallen warrior; to ride in his honor. They will compete in memory of the Brave men and women who fell to defend each and every one of us! Every dollar of profit will be donated to our Charity, Operation 300, to support the timeless work they do to bring joy and hope to the kids and wives of these fallen Men. It is our way to give back, while at the same time, promoting, educating and enjoying the horses and lifestyle that we love!*

While some will argue that Ocala is second to Lexington as the Horse capital of the world, it cannot be denied that Ocala is THE Mecca of equine shopping in the world! From hay warehouses to feed mills, horsey consignment to HUGE tack stores, boot shops and MORE!
